3. The format of **FORMS GST MOV-01** to **GST MOV-11** are annexed to this Circular.

3.0 Further, it is stated that as per rule 138C (2) of the Nagaland Goods and Services Tax Rules, 2017, where the physical verification of goods being transported on any conveyance has been done during transit at one place within a State or Union territory or in any other State or Union territory, no further physical verification of the said conveyance shall be carried out again in the State or Union territory, unless a specific information relating to evasion of tax is made available subsequently. Since the requisite FORMS are not available on the common portal currently, any action initiated by the State tax officers is not being intimated to the central tax officers and vice-versa, doubts have been raised as to the procedure to be followed in such situations.

3.1. In this regard, it is clarified that the hard copies of the notices/orders issued in the specified FORMS by a tax authority may be shown as proof of initiation of action by a tax authority by the transporter/registered person to another tax authority as and when required.

3.2. Further, it is clarified that only such goods and/or conveyances should be detained/confiscated in respect of which there is a violation of the provisions of the GST Acts or the rules made thereunder.

Illustration: Where a conveyance carrying twenty-five consignments is intercepted and the person-in-charge of such conveyance produces valid e-way bills and/or other relevant documents in respect of twenty consignments, but is unable to produce the same with respect to the remaining five consignments, detention/confiscation can be made only with respect to the five consignments and the conveyance in respect of which the violation of the Act or the rules made thereunder has been established by the proper officer.

4. Difficulties, if any, in implementation of the above instructions may be brought to the notice of the Commissioner at an early date.
